

**Manufacturer Limited Warranty
Polymeric Insulators
GAMMA – CORONA Insulators**

PLEASE READ CAREFULLY THIS WARRANTY AND KEEP IT IN YOU FILES

Electroporcelana Gamma S.A. warranties according to the terms and conditions set forth further along, that the polymeric insulators produced by Electroporcelana GAMMA S.A are free of manufacturing defects and that they comply with the technical characteristics set forth in a valid catalog of products at the moment of sale ("The Catalog of Products") the warranty offered in this document is exclusive for original buyers of these insulators.

Warranty Period Electroporcelana Gamma S.A. grants this warranty for the shorter period resulting between (i) thirty six (36) months counted as of the sale of the polymeric insulators; or (ii) twenty four (24) months counted as of the installation of the polymeric insulators. The aforementioned terms shall apply provided the polymeric insulator acquired is used in accordance with technical specifications set forth in a valid Catalogue of products

What shall the manufacturer do? During the corresponding warranty periods set forth above, if the product presents manufacturing defects of the acquired insulator and/or if the insulator does not comply with the technical characteristics set forth in the valid catalog of products at the moment of sale, Electroporcelana Gamma S.A. at its free will: (i) shall provide an equal polymeric insulator or one that has equivalent or similar technical characteristics that, according to the valid technology at the moment of honoring the warranty complies with the functionalities set forth in the Catalog of Products or (ii) shall reimburse an equal amount to the original purchase value of the polymeric insulator presenting material or manufacturing defects and/or that do not comply with the functionalities set forth in the catalogue of products.

Exclusions of coverage Electroporcelana Gamma S.A. shall not be responsible for the loss of income, consequential damages or other damages derived from the failure of the product. Likewise, Electroporcelana Gamma S.A. shall not be responsible for any of the charges or costs associated and/or related to the removal or re-installation of polymeric insulators, for damages due to poor storage, inadequate installation and /or maintenance, negligence, disregard, abuse, poor or inadequate handling, alteration of product or related transport costs. As far as it is permitted by the applicable law, Electroporcelana Gamma S.A. shall not be responsible for any indirect, incidental, consequential, accidental damages, losses, or costs of any type related to the warranty service. Electroporcelana Gamma S.A. does not offer the warranty established in this document regarding accessories, parts, iron fittings or insulator components not manufactured by Electroporcelana Gamma S.A., since it is understood that regarding these, the applicable warranty shall be the responsibility of the respective manufacturer.

This written warranty is exclusive. No person or entity is authorized to change, add or create a warranty or obligation apart of that set forth in this document

Application of National or State Laws This warranty gives you the specific legal rights, and you can have other rights which vary from country to country.

How to obtain Service To obtain the service, contact your local representative and /or the supplier from whom you bought the product. To obtain the warranty service. The warranty shall be effective by presenting the purchase bill with the defective polymeric insulator and /or the insulator that does not comply with the functionalities set forth in the Product Description, according to the aforementioned conditions set forth
